### LETTER OF RECOMMENDATION

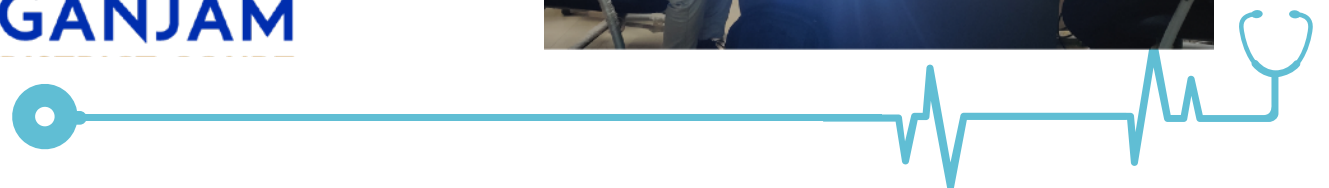

This is to acknowledge that Ganjam District Administration has piloted an Online COVID-19 Dashboard called 'SWOSTH' developed by Teceads Solutions Pvt. Ltd, which has enabled the Administration to monitor and manage the Bed availability, Patient Admission & Discharge, Health Status of patients, Referrals to higher facilities and Patient Feedback through a web-based platform in real-time basis.

The Dashboard was functionalized on 5<sup>th</sup> May, 2021 and is being utilized in all the designated COVID Health Centers and Dedicated COVID Hospitals of Ganjam District under the direct supervision of District Covid Cell functioning at Sub-Collector's Office, Berhampur. We appreciate Team Teceads for their concerted efforts in building the Dashboard in record time and would like to recommend this solution to be scaled up for extensive usage and real-time data management during the COVID-19 Pandemic.

  
Collector & District Magistrate,  
Ganjam, Chatrapur.

# Testimonial & Feedback

**SWOSTH** has enabled the Ganjam administration in better futuristic planning based upon real time database and analysis. It has enabled the administration to monitor & manage the Bed Availability, Patient Health status, patient Admission, Patient Referral & Transfer, etc directly from their portal.
